

## Leave a legacy

**A legacy to the RSPCA Rochdale and District Branch will provide crucial funds. We could not carry out our work without such generous support.**

You can do this by making a Will or by adding a codicil (a document which specifies alterations to your Will). If you are making a Will, please remember that the RSPCA Rochdale and District Branch and all the other RSPCA branches are separately registered charities run by volunteers.

So, if you would like our work to benefit animals in your local area, we would respectfully suggest that your legacy reads:

**I give the sum of £..... (or specify a share of residue) to the RSPCA Rochdale and District Branch, Registered Charity Number 232257, for its general purposes and I declare that the receipt of the Honorary Treasurer or other proper officer of the said Branch for the time being shall be a full and sufficient discharge for the said legacy.**

Please note that a Will or Codicil needs to be properly witnessed, and you should obtain legal advice.

**Gifts to registered charities are generally exempt from Inheritance and Capital Gains Tax, so a gift to the RSPCA Rochdale and District Branch would therefore greatly benefit local animals with minimum burden to your estate.**

# Local animals need your help

**Rochdale and District RSPCA covers the towns of Rochdale, Middleton, Heywood, Littleborough and Todmorden, with an animal centre in the middle of Rochdale.**

We rescue, rehabilitate and rehome domestic animals and we are a holding centre for wildlife casualties. We rehome around 500 animals and help approximately 300 wildlife casualties each year in our busy animal centre. Animals come to us with many problems, some physical, some emotional. Some need a trip to the vet while others need hours of patience and love before we find them their forever homes. The wildlife needs specialist care before being either released or moved to a specialist wildlife centre.

Our staff are on site 24 hours a day providing care and support for the animals in our centre. We support the local community with the care of their own animals and offer advice in our animal centre reception on topics such as neutering.

**It costs £600,000  
a year to keep  
Rochdale RSPCA up  
and running.**

## Your Branch

**Here are two cases that your local branch, RSPCA Rochdale and District Branch, have helped:**

### BEAUTY ❤️

Beauty was involved in a fight with another dog she had lived with for around four years. The fight resulted in Beauty losing her ears. She was in a sorry state when she arrived from the vets. After lots of TLC and support, she made a full recovery and has a new family who love and spoil her, where she enjoys her walks on the beach.

### VICTOR ❤️

Victor was found at the side of the road having been hit by a car. He had broken both his upper and lower jaw, as well as his pelvis. He needed hand feeding and lots of cage rest and love while his bones healed. He is now a lap cat living with a lovely family and is definitely in charge, demanding strokes and food when he feels like it!
